

Oregon State University  
Precollege Programs

# BEAVER HANGOUTS

## BRING THE CAMPUS TO YOUR CLASSROOM.

Your students can do fun  
College and Career readiness  
and/or STEM activities while  
hanging out with OSU students!

### What happens in a hangout?

OSU students attend your class  
virtually and present something  
cool about OSU or careers, then  
lead your students in a fun  
activity or game.
